

Karen Yeomans

Corporate Director Operations, AWM

A chartered surveyor by profession, Karen joined Advantage West Midlands in 2001 as Corporate Director Operations. Previously Karen worked within the NHS on Private Finance Initiatives and commercial development schemes in the UK and overseas.

At AWM Karen is responsible for three partnerships teams who work with local authorities, businesses and other groups across the West Midlands on the development and delivery of programmes and initiatives. This includes AWM's delivery vehicles, Regeneration Zones and High Technology Corridors.

Karen is also responsible for the organisation's project and contract team which appraise and manage the majority of projects funded by AWM.
